```

The diagram illustrates a mapping or redirection of two different function calls to a single target function. On the left, there are two white rectangular boxes with black borders. The top box contains the text 'AAX::GetRPDFWithAmplitudeOne'. The bottom box contains the text 'AAX::GetRPDFWithAmplitudeOneHalf'. On the right, there is a gray rectangular box with a black border containing the text 'AAX::GetInt32RPDF'. Two blue arrows originate from the right side of the two white boxes and point towards the left side of the gray box, indicating that both functions are mapped to the same target function.
