

Additional AAX features

Auxiliary Output Stems

```
graph LR; A[Additional AAX features] <-- B[Auxiliary Output Stems];
```

The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the text 'Additional AAX features'. The box on the right is light gray with a black border and contains the text 'Auxiliary Output Stems'. A horizontal black arrow points from the right side of the gray box to the left side of the white box, indicating a relationship or flow from the stems to the features.
